

The WBMA Educational Link Scholarship Fund 2018 Scholarship Recipients

Jacob Martin will be graduating this year from Culbertson High School in Culbertson, MT. Jacob plans to attend Montana State University in the fall to study Pre-Med to become an endocrinologist in order to provide care to diabetic individuals.

Jacob is active with his schools Student Council, FFA, Business Professionals of American, speech and drama programs and a member of the National Honor Society. He works as a lifeguard and swim instructor and teaches Sunday school.

Nathan Schumock will be graduating from Puyallup High School and attend Western Washington University. Nathan plans to study Biology to eventually become a medical doctor or a physician's assistant.

Nathan participated in football and track as well as a volunteer with Unified Basketball, a special Olympics basketball programs.

Bryce Grame is an undergraduate at Montana State University and a graduate of Glacier High School. Bryce is majoring in Civil Engineering with hopes of working in his community to improve our infrastructure and help commuters with the vastly changing technology and transportation relationship.

Kaylin Fosnacht is currently attending St Martin's University and is graduate of Rochester High School. Kaylin is majoring in Chemistry to pursue a career as a medical researcher and plans to go to graduate school to earn a PhD in Organic Chemistry.

Kaylin is active in the St Martin's Circle K Club service as this year's President. Other activities include chemistry/physics tutor, Chemistry Club and laboratory assistant on campus. She is also a member of the Phi Kappa Phi Sorority.

The WBMA Educational Link Scholarship Fund was established by the members of Western Building Material Association for the purpose of assisting in providing higher education opportunities for children of members' employees, and the employees themselves. The Link Fund is in its 26th year and recently awarded four \$4,000 scholarships to the above recipients. Scholarship amounts are determined by the interest income generated from the fund each year. This perpetual fund can help see that these individuals develop into solid leaders of tomorrow by affording them the opportunity for higher education. The Link Fund receives its growth from the raffle held during WBMA's Annual Convention and other company contributions received throughout the year. The Link Fund has also grown through memorials as industry members remember their colleagues and loved ones. Your contribution qualifies as tax deductible to the non-profit WBMA Link Scholarship Fund, incorporated in the State of Washington. Contributions can be sent to the WBMA office at PO Box 1699 - Olympia, Washington, 98507.
